

AUTHOR REGISTRATION GUIDELINES

1. Author Registration

- Every author(s) has to register him/herself on website.
- After Registration, author(s) will be allotted unique author id which will be author's identification number for entire conference.
- All fields in the registration are compulsory, and no changes in the details will be allowed once the author has registered.
- If, there are multiple authors for a single paper then every author has to register separately. All the authors will be given a unique author id which they have to use for various purposes throughout the conference.
- This unique Author Id will be communicated to author by their registered e-mail only. Hence it is mandatory to give correct mail id.

2. Paper Registration

- After author registration, Paper Title will be required to be registered.
- Every paper will be allocated unique code, which will be used as identification code for the Research paper throughout the conference.
- If a person is going to submit more than one paper, then he/she will have to register all the papers and for every paper he/she will be given unique code.
- Every paper should be registered only once even if there are multiple authors.
- While registering the Paper, unique author id of all the author(s) will be required. Once the data is submitted by the author(s), no change in the details will be entertained. So it is advisable to keep all the author's unique codes ready at the time of title registration.

3. Abstract Upload

- Only one author will have to login with unique paper id and upload abstract in word document format and declaration form in pdf format.
- Your abstract will be verified by the review committee. You have to upload your full paper only after its approval.
- Author(s) will be communicated by e-mail about the status
- If the review committee rejects the paper on the basis of abstract, then author(s) will not be allowed to submit the full paper.
- However, new paper can be registered as per the above procedure.
